Qazi,

Thank you for letting me know that the Blades Groundwater meeting has been cancelled for tomorrow.

Nonetheless, I thought it would be a good time to have a brief workshare conference call tomorrow. I have attached our active site list for your review. I have also added in some brief notes describing the most recent site activities. Please feel free to add in notes of your own.

I would also like to briefly have a planning session. I would also like to discuss the next site actions for; Blades Groundwater, Newcastle Public Wells, Hockessin Groundwater, Broadkiln Gun Club, and Milford Salvage/Kent Scrap.

Thank you.
